OBJECTIVES

- Understand what to expect as a traveling healthcare professional
- List at least 5 resources available to traveling healthcare professionals
- Describe how you will utilize 3 resources to optimize your travel experience

WELCOME TO TRAVCON

while you're here...

- Network!
- Learn!
- Eat, drink, and have a great time!

WHAT IS YOUR WHY?

So, you've either left where you're from to become a traveler, or you're thinking about it. Why are you making this decision?

DO YOU HAVE A PLAN?

Ask yourself...

Am I looking for a new city to live in?

How much time will I give myself to travel?

Am I on the “wing it” program?

Do I want to pay off...

- My car?
- My student loans?
- Make additional payments on my mortgage?

KEYS TO SUCCESS

Flexibility

- You will get floated
- You won't get the best assignments
- In fact, you may get the worst

Positivity

- Bring a positive attitude with you
- Show a willingness to help the staff

Personal advocacy

- Being a team player goes a long way, but advocate for yourself
- Ruffle feathers vs lose your license

TRAVELING PROS

- Pay me...please
- I'm flexible, how about you?
- It's my party, I do what I want to!

TRAVELING CONS (IT'S ALL RELATIVE)

- I've fallen and I can't get up (Insurance)
- I've met so many people and now they're gone (Community)
- Now where am I going to live? (Housing)
- I need my pet (Housing with pets)

RESOURCES TO HELP YOU GET BY

- Jobs/ Document Organization
- Housing
- Community
- Insurance and taxes

ABOUT

Nurse Advocates

Nurse Advocates are your career partners here at Trusted! Each nurse who joins Trusted is paired with one of our Nurse Advocates, who leads your Care Team, to find, connect, and pursue the right opportunity for you. They're all registered nurses, some have been travelers themselves. Now they're taking on the next challenge in their careers — to fundamentally change the way nurses search for and find jobs.

They understand the challenges and opportunities that you face and are excited to help build and promote new solutions, whether you're new to travel nursing, need help understanding the details, or just need someone to talk to.

Temporary Housing That Feels Like Home

You love your home. It's your sacred space where you dream big and do bigger. You dread leaving it for extended periods of time. But duty calls. Perhaps you have a 3-month work assignment, you're moving, you have an internship in another state, or you're on another journey that will take you away from home. You need furnished temporary housing that meets your every need. Travelers Haven has you covered.

From the moment you contact us through moving into one of Travelers Haven's fully furnished temporary housing solutions, we'll work hard to ensure you get the tailored experience you deserve that remains long after you move-out.

With over a decade of experience and a fully transparent process, you can count on us for temporary housing that feels like home!

CUSTOMIZABLE TEMPORARY HOUSING - WE'LL FIND A SOLUTION THAT'S RIGHT FOR YOU.

About Us

Health Care Travels was established to solve the challenges faced by traveling healthcare professionals in securing affordable short-term housing. We are a specialized website providing a centralized platform to assist travel healthcare professionals to find affordable and reliable short-term housing. Property owners can list properties they wish to rent to healthcare professionals on a work assignment. Healthcare travelers can locate short-term housing needs, pay for reservations securely online, and also request a roommate. Travelers are also able to list their properties for rent while they are away on an assignment.

Our Goal

To provide affordable and safe housing options for all traveling healthcare professionals.

OUR PACKAGES

We Provide Solutions

Are you tired of switching health insurance each time you switch agencies? Are you tired of high deductibles? Are you ready to be done with gaps in your coverage each time you have time off between contracts? Would you like a plan with ZERO deductible plan that is good nationwide? Are you ready for stable rates?

Whether you need health, life, dental or critical illness insurance, we have the experience to help you find the policy that's right for you. We are committed to providing you with the highest level of protection at affordable prices. Our standard package includes health, critical illness and dental. Our prices are usually lower than travel agencies and non-subsidized Obamacare.
